CLERK'S OFFICE-DETROIT

Dear District Judge,

I was a patient at Michigan hospitals during the January 1, 2006 to June 23, 2014 period. My medical insurance company is Blue Care Network of Michigan. I did not receive a Postcard Notice addressed to me. **5. How do I know if I am part of the settlement?** "Send an email to info@MichiganHospitalPaymentLitigation.com" ("I would like to explain my medical care in court")

Shane Group v BCBSM Settlement Administrator

That night after I received my Wed, 24 Sep 2014 18:22:16 email I emailed dsmall@cohenmilstein.com, bjohnson@cohenmilstein.com, and jdubner@cohenmilstein.com. The following week I received a telephone call that notified me I could file for the class action settlement. A notification after the post office close on Sept, 24th or the week following Sept. 24th does not allow me enough time to file for a Sept. 24th objection, which will allow me to speak in court.

All I want to do is explain to the settlement judge the information that I have gathered, so a judgment can be based on all the information that is available.

After hearing my speech and reviewing my material I hope the judge will think about the problems created when Federal and State laws are violated. Do you think inflated prices only result in a loss of money? Did the FBI investigate the alleged federal law violations? What is being done to prevent a reoccurrence?

Hoping to get a response,

Darrell C. Thompson
